Summary

About Me:
I'm a a graphic designer and web developer who loves creating graphics and building fluid websites.

I've been working in the design and development world for over eight years now, and I've had the chance to work in a bunch of different places, both in-person, hybird, & online. I'm always looking for new ways to improve my skills and make the best possible works.

Languages I Speak:

▪▪▪▪▪▪▪▪▪▫ English
▪▪▪▪▫▫▫▫▫▫ Bengali
